

# NUTRITION & MILLING WORKSHOPS

In early March the Australian Lot Feeders' Association is running a series of five workshops around Australia focusing on Nutrition & Milling. These workshops are proudly sponsored by ALFA Platinum Member, Champion Liquid Feeds along with Energro and MLA. **Please register and pay by MONDAY 27 FEBRUARY 2012 to secure your place.**

## WORKSHOP OUTLINE

The workshops will concentrate on the following areas:

- Chain of Responsibility
- The Weighbridge - Grain and commodity receipt / testing / sampling
- Commodity Vendor Declarations
- Commodity Storage & Handling – handling shrink
- Grain processing – methods
- Grain processing – quality control
- Digestive Physiology & Metabolic Disorders
- Feed loading, mixing and delivery
- Feed allocation - bunk management
- Research & Innovation - The Future of Feeding Cattle
- Feedmill safety

## WHO SHOULD ATTEND

This workshop will be of benefit to all feedlot staff, but also those involved as suppliers to the feedlot industry. Grain growers and general commodity suppliers will gain an insight as to why feedlots require quality products to produce a high quality finished product. These workshops will include basic and more advanced topics covering specific areas that are relevant to the feedlot sector and their suppliers.

## PRESENTERS

Presenters for these workshops include Joe McMeniman (Nutrition Service Associates, QLD), Matt George (Bovine Dynamics, QLD), Paul Cusack (Australian Livestock Production Services, NSW) as well as ALFA representatives.

## COST\* (inc. GST)
